Bits Corp granted rights to develop *Constantine* video game by Warner Bros. Interactive Entertainment and Vertigo/DC Comics

Bits Corp plc ('Bits' or 'Bits Corp'), a leading UK developer of video game software for major console platforms, today reports that Warner Bros. Interactive Entertainment Inc. and Vertigo/DC Comics have granted Bits Corp the license to develop a video game for the upcoming Warner Bros. Pictures film *Constantine* and to publish and distribute such game together with a publisher to be approved by Warner Bros. Interactive Entertainment and Bits.

The game will be based on the major film release of the same name featuring John Constantine, the compelling lead character in DC Comics/Vertigo™ publication, *Hellblazer*™. The game will feature an original storyline based around the film and is being developed for the PlayStation®2 computer entertainment system and the Xbox™ video game system from Microsoft.
