

**Press Release
15 April 2005**

Bits Corp signs agreement with Namco Hometek Inc.

Bits Corp plc ('Bits Corp' or 'the Company'), a leading UK developer of video games software for major console platforms, is pleased to announce that it has signed an agreement with Namco Hometek Inc., a global video games publisher, to develop a new innovative video game to be unveiled at the upcoming E3 games convention in May in Los Angeles.

The new video game, is set for distribution on Sony's PlayStation® 2, Sony's PSP®, PC, and Microsoft's Xbox™ and is scheduled for release in Q4 2005

Commenting on the agreement with Namco, Foo Katan, Chief Executive of Bits Corp, said: "We are thrilled to have the opportunity of working with Namco, an innovative publisher whose support and experience will be invaluable in maximising the potential of the new game."

"Namco has been impressed with the talent we see in Bits Corp.'s work," said Jeff Lujan, Business Director at Namco Hometek Inc. "We are confident this game will be high-quality and we hope it is the start of a long-lasting relationship between our companies."
