Are you a Chameleon, Loose Cannon or Maverick? Answer some questions and find out

Here's a neat little quiz from Pokerwize.com, the people that are currently developing an electronic 3-D poker offering.

It's a great way to waste a couple of minutes, and seems to be fairly accurate - even though, when we tried it we were Monkey Boy!

Have you got a steely nerve, or do you prey on those who don't know the game. Perhaps you're a Maverick, Chameleon or a Loose Cannon.

The FREE quiz at www.pokerwize-quiz.com will take just a couple of minutes to complete and will tell you exactly what kind of player you are - an which famous player you're most like. What's more, when you have a go at the quiz you will be automatically entered into a prize draw to win a free seat in the 2007 World Series of Poker (worth \$10,000!).

Remember, if the quiz can tell who you are so can your opponent, it might even improve your game.
